NDA

Branding

Design

This screenshot shows a dark-themed e-commerce website. At the top left, there is a circular logo with a green and blue swirl and a circular 'NDA' logo. To the right of these logos is a 'Contact' link and a shopping bag icon. The main content area features a large, glowing green wireframe illustration of a complex industrial component, possibly a fluid delivery system. To the left of this illustration, the text 'SHOP ALL' is followed by an upward-pointing arrow. Below this, the words 'WHERE TO BUY', 'LOYALTY PROGRAM', and 'CONTACT' are stacked vertically in a lighter green font. Further down, the text 'The source for professional fabrication components' is displayed in white. At the bottom left, there is a square icon with a dotted pattern and the word 'PRODUCTS' in large, bold, white letters. On the right side, there are three horizontal buttons with white text and upward-pointing arrows: 'FLUID DELIVERY', 'EXHAUST FABRICATION', and 'HD CLAMPS'.

This screenshot shows a bright, colorful e-commerce website. The top navigation bar includes a circular 'NDA' logo, a search icon, a star icon, a shopping bag icon, and a user profile icon. The main navigation menu consists of 'Home', 'Shop', 'Blog', 'Comrades', and 'Contacts'. The hero section features a large, circular image of a smiling woman with curly hair holding a red plush toy. To the left of the image, the text 'Fabulous Finds for Fantastic Fiends' is displayed in bold black font, followed by the tagline 'Simple, affordable, memorable' and a black 'Learn more' button. Below the hero section is a 'Categories' section with a horizontal scroll bar. It contains five category cards: 'Tarot' (49 items), 'Pride / Ally' (49 items), 'Guts' (37 items), 'Spooky' (50 items), and 'Make up' (5 items). Each card has a representative image and a right-pointing arrow. At the bottom, there is an 'About Us' section with a circular image of a hand holding a brown, textured object. To the right of the image, the text reads: 'Our products are a curated selection of upcycled vintage goods, one-of-a-kind art pieces, books, tarot, crystals, and other finds. There is something for everyone!' and 'We have a unique selection that rotates to bring something fun and fresh each time you visit. We also have a salon to help'.
